Dear Mr. Weisberg:

This is in reply to your letter of January 25, 1972.

We sent you a copy of Revision 2 of the "Regulations for Reference Service on Warren Commission Items of Evidence" as soon as it was approved by our Office of General Counsel. We do not regard the regulations as affecting in any way the agreement of October 29, 1966, between the Administrator of General Services and the Kennedy family representative, Mr. Burke Marshall, concerning President Kennedy's clothing and the autopsy material. Under the agreement Mr. Marshall is the sole judge of the qualifications of those who apply to examine the autopsy material.

We do not appear to have received copies of the correspondence between you and Mr. Marshall to which you refer. If you will send us copies, we will take whatever action may be appropriate.

The revisions in our regulations reflect our experience in carrying out our responsibilities in the handling of Warren Commission material.

Sincerely,
